Looking for something? Head to the Information Tent on the Village Green or ask anyone wearing an Open Day red t-shirt.

THE PÅ

An innovative and versatile new facility that will be the year-round home of campus life, and will include areas dedicated to students, retail spaces, food outlets and a stage for performances and events. The ‘PÅ’ is a reference to the concept of community and location, and will be the heart of the campus.

Construction is due for completion in late 2022.
